

CAMP BRILLIANCE

August 16 to August 20, 2021

Hardy G*rls is excited to restart our in-person programming with a FREE Waterville-area summer camp for girls and gender-expansive youth!

Camp Brilliance is focused on art, activism, coalition building, and celebrating youth brilliance.

Over the course of the week, camp attendees will develop a social action project, learn about ways to make a positive change in their community, and get messy making art. **Camp Brilliance** will be led by HGHW staff, members of our G*rls Advisory Board, and trained adult volunteers.

Who it's for: Camp Brilliance is open to girls and gender-expansive youth entering grades 5-8 in Central Maine*, and it is free of charge to all attendees.

When and where: Camp Brilliance will be held Monday August 16 through Friday August 20, from 9 am to 3 pm daily. It will be located in Waterville.

Register today! Online registration for Camp Brilliance is available at hghw.org/camp-brilliance and will be open until August 8 or until we have 30 confirmed attendees, whichever comes first. **Registration is FREE.**

Covid-19 details: Camp Brilliance is able to be held in person because of our use of pooled Covid-19 testing, supported by the Maine Department of Education. During registration, guardians will have the option to opt into pooled testing, which will be conducted the first day of camp. A positive pooled test will result in individual BinaxNOW antigen tests for campers that have been opted into testing, provided free of charge at camp. You can learn more about the pooled testing program [HERE](#).

All camp attendees will be required to wear masks while doing indoor activities. Masks will not be required for outdoor activities, but are always respected.

* There are no geographic requirements for camp attendees, but attendees must be dropped off and picked up from camp each day in Waterville.

Hardy G*rls is excited to partner with two incredible, local artist educators during Camp Brilliance.

Elizabeth A. Jabar is a feminist printmaker who explores a range of personal-political issues in her work including cultural identity, representation, equity and maternal ethics. Learn about Elizabeth's work at hingecollaborative.com/about
